

Convert entire walls into a dry-erase whiteboard projection screen: The **Insta-DE 2** is a wall covering film material that instantly converts entire walls into a professional Dry-Erase Whiteboard / Projection Screen surface for use with standard or short throw projectors. It is made with our award-winning and GREENGUARD® certified VersaWhite "whiteboard-projection screen", which is coated with a long lasting anti-scratch surface for daily dry erase whiteboard usage. The **Insta-DE 2** has a special anti-reflection diffusion layer to provide a wide viewing angle for projection applications. It combines the need of both chalkboard and drop down projection screen into one simple low cost solution.

Screen Material

- Award winning and GREENGUARD® certified VersaWhite material
- 1.1 gain with 180 degree wide viewing angle
