The **Pico Sport Series** is a portable table top projection screen that includes both a matte white (VersaWhite) and a high gain (StarBright™ 4) surface on each side. Its unique design allows front projection from low lumen projectors to increase brightness using the StarBright™ 4 side while also rejecting ambient light. The VersaWhite side is best for room environments where ambient light is controllable or projectors with high lumen output. The **Pico Sport** includes a heavy duty canvas sleeve that conveniently fits into a laptop bag or briefcase.

**Screen Material**
- VersaWhite 1.1 gain material with a 180° wide viewing angle
- StarBright™ 4 4.0 high gain angular reflective material with a 50° viewing angle
- Available in the following diagonal size: 18” in 4:3 format

**Design and Installation**
- Dual-side projection screen
- Designed for portable tabletop presentations
- Accommodates standard throw and “Pico” micro-projectors
- Lightweight & flat design carries easily inside a briefcase
- Removable base feet breaks down and sets up in seconds
- Canvas travel sleeve included for added protection and portability

**Quality & Reliability**
- GREENGUARD® and GREENGUARD® Gold Certified
- 2-year Parts & Labor manufacturer’s warranty
- 3-year warranty offered through ENR-G program (Education, Non-Profit, Religious and Government)
