

The **Yard Master Electric** is Elite's outdoor projector screen for patios and other outdoor spaces. Watch a movie in the convenience of your own backyard, patio, pool deck, or wherever your creative innovation leads. The electric screen is raised and lowered using a Radio Frequency remote control. Additional accessories include a magnetic weight bar bracket and a ground stake kit to keep screen secured against mild wind conditions. Outdoor grade materials enable the product to sustain a long lasting operational lifespan.

### Screen Material

- Designed for outdoor use without compromising its home theater visual appeal
- MaxWhite® 1.1 gain (matte white) front projection material has superb color temperature
- Wide diffusion uniformity allows viewers to enjoy a clear and bright picture from any angle
- Black borders absorb projector overscan while enhancing visual contrast
- Black material backing eliminates light penetration for enhanced brightness levels
- 4K Ultra HD, Active 3D, and HDR Ready
- Not compatible with Ultra/Short-throw Projectors
- GREENGUARD® and GREENGUARD® Gold Certified (UL 2818) for safe indoor emissions

### Design and Installation

- Dynamic indoor home theater quality with outdoor durability
- Ideal for backyards, patios, pool decks, and recreation room installations
- Floating aluminum anti-rust brackets allow flush wall/ceiling
- Capable of suspended ceiling installation
- Long distance Radio Frequency remote control included – no line of sight required

### Quality and Reliability

- Rust-proof metal components - housing, roller tube, brackets, and weight bar
- Tubular motor allows swift operation with a superior weight tolerance and lifespan
- IP33 Certified
- 2-year limited manufacturer's warranty, and 3-year warranty for ENR-G - Education, Non-profit, Religious and Government/Military organizations
