

Shown here on the ezFrame Series

CineGrey (Tension High Contrast Grey) is designed for low contrast DLP and LCD Home Cinema Projectors. Its superior flatness makes the CineGrey ideal for home theater use. It enhances black levels while minimizing loss in color reproduction. Uniform diffusion surface has black-backing to eliminate light penetration and is easily washable with mild soap and water.

Elite Screen series:
ezFrame, CineTension2, Aeon Series, Designer Cut

On axis 0° Gain: 1.0
Viewing Cone: 160°
