

Evanesce AcousticPro UHD Series

Electric In-Ceiling Acoustic Transparent Projection Screen

Compatible with Standard Throw Projectors ONLY

Product Description

The **Evanesce AcousticPro UHD Series** is a fully contained in-ceiling electric projection screen. It is encased in a white-enameled aluminum housing for convenient installation. It includes our acoustically transparent front projection material to allow speaker placement behind the screen. Control package includes an Infrared and Radio Frequency remote controls, a detachable low-voltage keypad switch and 5-12Volt trigger. **Note: black masking borders are entirely made of the AcousticPro UHD sound transparent material.**
