

Light-On CLR® 2 Series

Portable Ceiling Ambient Light Rejecting Projection Screen

Compatible with Bottom Placed Ultra-short and Short Throw Projectors ONLY

Product Description

The **Light-On CLR® 2** is a portable projection screen with a folding-frame design for indoor presentations under bright room lighting environments. It uses our innovative and patented Ceiling Ambient Light Rejecting CLR® 2 material which is specially crafted for bottom mounted ultra-short and short-throw projectors.

The folding-frame assembles in a matter of minutes and has back-braced legs for stability and support. The legs are height adjustable to accommodate various environment settings and applications.

Models	Diagonal	Aspect Ratio	View Width	View Height	Material	Gain	Min Height	Max Height
LPS103H-CLR2	103"	16:9	89.8 in	50.4 in	CLR® 2	0.8	60.3 in	96.6 in
LPS123H-CLR2	123"	16:9	106.7 in	59.1 in	CLR® 2	0.8	67.2 in	115.6 in
