

Manual Tab-Tension 2 Series

Manual Pull-Down Projection Screen

Compatible with Ultra-Short, Short and Standard Throw Projectors

Product Description

Elite Screens **Manual Tab-Tension 2** is a first-class manual pull-down projection screen with added features typically only found on a high-end products. It has a tab-tension system to keep the screen material flat and taut for a ripple-free projection image. The housing is of aluminum construction, is moisture resistant and available in a white housing.
