

The **Manual Series** features a wide selection of sizes and available aspect ratio formats make it the most complete line of Manual Pull Down screens. Most models are available in either a white or black case to fit your interior décor. Standard features include a lanyard for hard to reach applications, black-masking borders all around the entire viewing area, and a dual wall/ceiling mount design.

Screen Material

- MaxWhite® 2 front projection material with 1.1 Gain
- Screen material is durable and easy to clean
- 180° wide viewing angle for commercial presentations or home cinema
- 4K Ultra HD, Active 3D, and HDR Ready
- ISF Certified for accurate color reproduction
- Compatible **ONLY** with Standard Long-throw Projectors
- Standard 4-side black masking borders
- Black backed screen material eliminates light penetration for superior color reproduction
- Available in various diagonal sizes and formats.

Design & Installation

- Dual wall and ceiling installation design
- Auto-locking system provides variable height settings in any position
- Screen lanyard for easy operation included - allows screen's pull down handle to be reached from high areas
- Optional 6" and 12" L brackets available - **sold separately**
