Screen Material

- Award winning VersaWhite material
- 1.1 gain with 180° wide viewing angle
- Special anti-scratch layer to ensure long use as a projection screen and dry-erase product
- Anti-reflection diffusion surface eliminates glare and hot-spot while using a projector
- Available in a diagonal size of 85" (1:1)

Installation and Application

- Instantly converts flat surfaces/walls into a dry-erase whiteboard projection screen
- Includes adhesive black velveteen border to enhance contrast and overall appearance
- Perfect dry-erase and projection solution for today's short throw projectors
- Ideal and effective instructional presentation tool in the classroom, boardroom, and training facilities
- Includes dry-erase pens, eraser, and a self-stick cradle

Quality & Reliability

- Standard 2 year premium replacement warranty
- 3-year warranty ENR-G (Educational, Non-profit, Religious or Government/Military) – US Only
