

ALR WhiteBoardScreen™ Series Product Brochure

The ultimate presentation tool for your meeting room or classroom. Its highly reflective projection surface enhances brightness and contrast while countering the washout effect of ambient light.

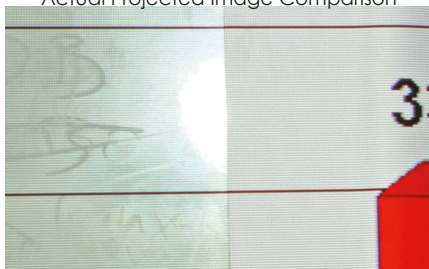

ALR WhiteBoardScreen™ Series

The ultimate presentation tool for your meeting room or classroom. This unique projection screen serves both for projecting presentations with the added feature of dry-erase.

Actual Projected Image Comparison

Regular Whiteboard

VersaWhite Screen Material

Screen Material

- StarBright™ 4 with 4.0 gain projection surface is coated with a transparent dry-erase layer for training presentations
- 120° viewing angle
- High reflectivity is ideal for presentations with high levels of ambient light
- 4K Ultra HD, Active 3D, and HDR Ready
- True color reproduction and contrast enhances overall projection images
- Available in the following diagonal sizes:
 - 60" (4:3) – StarBright™ 4 (Ambient Light Rejecting)

Design and Installation

- Designed for Classrooms, Boardrooms, Conference rooms, and Training Facilities
- Magnetic surface
- No "glare" effect on projection surface as typically experienced on standard white boards
- Cutting-edge design combines projection screen and dry erase board into one space-saving economical product
- Includes dry erase markers and erasers
- Standard wall mount brackets allow installation flexibility by sliding horizontally along the back rail of the frame

Quality and Reliability

- 2-year Parts & Labor manufacturer's warranty
- 3-year warranty offered through ENR-G program (Education, Non-Profit, Religious and Government)
