

Saker Tab-Tension AUHD Series

Motorized Acoustic Transparent Projection Screen

Compatible with Standard Throw Projectors ONLY

Product Description

The **Saker Tab-Tension AcousticPro UHD Series** is an acoustically transparent Ultra High Definition electric/motorized tab-tensioned projection screen. The AcousticPro UHD material is designed to complement in-wall speakers while allowing sound to pass through the material with minimal attenuation. Its tight perforated weave material allows a superior AT performance without sacrificing picture quality. **Note: Black masking borders are entirely made of the AcousticPro UHD sound transparent material.**

Models	Diagonal	Aspect Ratio	View Width	View Height	Material	Gain	Case Color	Top Border
SKT100UH-E24-AUHD	100"	16:9	87.2 in	49.0 in	AcousticPro UHD	1.0	Black	24 in
