

Tripod Series

Portable Tripod Projection Screen

Compatible with Standard Throw Projectors ONLY

Product Description

The Elite Screens **Tripod Portable Projection Screen** is ideal for indoor and outdoor small or large venue presentations, this proven and reliable tripod portable projection screen combines precision with the elegance of a traditional design. Its rugged construction will withstand the rigors of daily usage while its adjustable locking ring provides ease in its adjustable height settings.

The Tripod series offers a keystone eliminator mechanism that make aiming and calibration with your projector a breeze. Bordered with 4 sides of black masking also helps absorb the unwanted overspray of light that projectors often have.
