

ELITE SCREENS

Do-it-Yourself Outdoor Front/Rear Projection Screen

DIY Pro Dual Series

User's Guide

Thank you for choosing the *DIY Pro Dual Series* portable projection screen! Please read this user guide before utilizing the screen. Correct usage and maintenance will ensure a long product life

Product Description

The *DIY Pro Dual* is an outdoor do-it-yourself movie screen that is capable of both front and rear projection. Elite's *WraithVeil Dual* material diffuses projected light to create a bright, clear image on both sides of the projection surface either way.

Outdoor Projection Screen Disclaimer

Never leave your projection screen out and exposed to direct sunlight. Regardless of screen brand, prolonged exposure to the sun's ultraviolet radiation degrades the chemical bonds causing the material to eventually decompose. Photo degradation first causes the material to lose its theater-grade reflective qualities. Eventually nature will destroy even synthetic materials. For this reason, the *DIY Pro Dual* Manual includes a pouch to store it in after use.

Care & Use Instructions

◆ The *WraithVeil Dual* is a 2-directional flexible vinyl projection screen material. It is designed to accommodate either front or rear projection and is compatible with ultra, short, and standard throw projectors.

◆ Dust, dirt and scratches on the projection surface will affect the picture quality, please take note of the points below to prevent that from occurring:

1. Do not touch the projection surface with your hands
2. Do not write or draw on the projection surface
3. Do not use fingers or sharp objects to point on the projection surface; this will damage the screen material.
4. Use a soft-damp cloth to clean the projection surface; do not use chemical cleaning agents or alcohol.
5. Use clean water when dampening the cleaning cloth and do not rub against the material to clean it.

◆ To avoid damage and injury, the screen should only be operated by adults.

Please make sure all parts listed below are included before proceeding with the installation.

What's included?			
A. DIY Screen Material x 1	B. Dynamic Rope x 4	C. Polypropylene Rope x1	D. Screen Material Bag
			

Note: The parts list above is subject to change without notice.

Setup Procedure

PLEASE NOTE: Prolonged storage of the DIY Screen Series in its factory packaging may result in having noticeable horizontal lines on its surface. The lines are identified as “Memory Lines”. The Memory Lines can be eliminated by leaving the screen in the down position for a few days after the installation. This allows the material to stretch out. After the few days of leaving the screen installed, the Memory Lines should vanish without return.

Correct usage of the projection screen will ensure better viewing results.

For front projection, assemble and view the screen as indicated in Fig.1.

For rear projection, assemble and view the screen as indicated in Fig.2.

There are many unique ways for the DIY PRO to be installed. Below is a general guideline for the installation of the screen. Please note that a frame is not included with the DIY Pro Dual screen.

1. Unroll the *screen material (A)* on a clean surface.
2. Insert the *Polypropylene rope (C)* through each grommet in the material and attach to the installation location.

(Image below is of DIY Pro Series- Actual screen appearance will vary based on series and model number)

Tightly fasten the *Polypropylene rope (C)* throughout each grommet to make the screen flat while fastening the rope to the installation location. Do several tests to ensure the rope stretches the material to its maximum extent. Once the approximate length of rope that is needed can be determined, remove any excess rope by simply cutting it.

Note: Wrap rope with tape before cutting

3. The *Dynamic Rope (B)* (bungee cord) can be attached to each of the four corners of the material and to the support structure to create a more secure installation while at the same time stretching the material. When placed at each corner, the elasticity of the cord will tension the screen making it more flat providing a more uniform surface.

Note: The Screen material is not designed to be left outdoors for an extensive period of time. Leaving the screen outdoors will result in a reduced lifespan of the screen material. To prevent damage caused by the outdoor elements, we recommend that you disassemble the screen after each use and store it indoors.

Limited Warranty Policy

What is Covered: Elite Screens, Inc. ("Elite Screens") warrants its products to the first retail purchaser, if purchased new and operated in the United States or Canada, to be free from defects in workmanship and materials (except as provided below) for a period of (2) years from the date of original purchase, and (3) years for products purchased directly by educational, non-profit, religious or government organizations.

Refurbished products purchased directly from Elite Screens are warranted for a period of (90) days from the date of original purchase.

For warranty service, you must provide proof of purchase and the serial number of your product.

How to Get Service: Should this product prove defective during the warranty period, please visit www.elitescreens.com/rmaform and submit a warranty claim form. You must provide your proof of purchase, the serial number of your product, and describe the problem you are experiencing with your screen. An Elite Screens representative will determine whether the product requires service, and provide you with further instructions on how to proceed with your warranty claim.

Missing Parts: If your product is missing parts, Elite Screens will, at its option, replace the part without any charge, including shipping and handling, provided that that you report your claim within (7) days of receipt. If you report your claim after (7) days of receipt, but within (30) days of receipt, Elite Screens will, at its option, replace the part without charge, but you will bear the cost of shipping and handling. If you report your claim after (30) days of receipt, you will bear all costs to replace the part.

Returns and Exchanges: If a return is needed, Elite Screens will issue you a Return Merchandise Authorization ("RMA") Number. This number is valid for (45) days from the date of issue, and is required to process any returns. A returned item sent to Elite Screens without a visible or valid RMA Number is subject to refusal by Elite Screens. You are responsible for the cost of returning the item and ensuring the product is properly packaged to prevent damage in transit.

Once a returned product is received, Elite Screens will, at its option, replace the product or part without charge, including ground service freight. The replacement product or part may be new or refurbished to the Elite Screens standard of quality, and is subject to stock availability. Elite Screens' liability for replacement of the covered product will not exceed the original retail selling price of the covered product. Exchange products and parts assume the remaining warranty period of the original product covered by this limited warranty.

What is Not Covered: This warranty is not transferable and does not cover product purchased by another end user. This warranty does not cover incidental damages, such as loss of time, loss of use, or installation costs of defective, repaired or replaced product. This warranty does not cover product that has been damaged or rendered defective as a result of (a) neglect, abuse or misuse; (b) modification of the original product; (c) improper use or installation of products not manufactured by Elite Screens; (d) service provided by anybody other than Elite Screens; (e) abnormal mechanical or environmental conditions; (f) unusual physical or electrical stress -including failure or fluctuation of electrical power, lighting, static electricity, fire, tornadoes, or other natural disasters.

Elite Screens does not warrant against freight damage, concealed or otherwise, unless product is shipped directly from an Elite Screens facility. You must contact the vendor and the delivering carrier to report freight damage within (7) days of receipt. Failure to report freight damages within the carrier's guidelines may result in you bearing all costs.

THIS LIMITED WARRANTY AND REMEDY PROVIDED ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES. ELITE SCREENS, INC. DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, ANY WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE AND ANY IMPLIED WARRANTIES ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE. THIS LIMITED WARRANTY GIVES THE END USER SPECIFIC LEGAL RIGHTS, AND THE END USER MAY HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

EXCEPT AS PROVIDED IN THIS WRITTEN WARRANTY, ELITE SCREENS, INC. SHALL NOT BE LIABLE FOR ANY LOSS, INCONVENIENCE, OR DAMAGE, INCLUDING DIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, RESULTING FROM THE USE OR INABILITY TO USE THE ELITE SCREENS PRODUCT, OR FOR LOST DATA OR LOST SOFTWARE WHETHER RESULTING FROM BREACH OF WARRANTY OR ANY OTHER LEGAL THEORY. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL AND CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION MAY NOT APPLY.

In Canada, warranties include both warranties and conditions. Some jurisdictions do not allow limitations on how long an implied warranty lasts and some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations and exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction.

International Warranty: Elite Screens, Inc. does not provide warranty coverage outside of the United States or Canada. For more information on the warranty coverage, terms and conditions in your region, contact your Elite Screens International Distributor directly.
