Parts List

Please make sure all parts listed below are included before installation.

Drape Skirt *1pcs	Plastic Clips *16-20pcs
	 <p>ZOMS2-DK*16pcs ZOMS2PL-DK* 20pcs</p>

Setup Instructions

1. Place all plastic clips on the bottom side of the frame, over the screen material. (do not pleat the material)	2. Place 4 clips to face the opposite direction as shown here. (2 on each end)
	
3. Attach the skirt on to the Velcro starting in the middle of the frame and then to the outer edges.	4. Attach any excess material to the clips that are facing the opposite direction. (back of the frame)
	
5. Reverse steps to dismantle the skirt for storing. <i>Note: Direct sunlight and high temperatures may cause for the adhesive of the Velcro to dissolve. Store the skirt and clips in a cool, dry area.</i>
