

The **Yard Master 2 WraithVeil Dual** is a fast folding-frame outdoor or indoor projection screen. Its light-weight aluminum frame allows it to be set up in minutes. Simply, unfold the frame; attach the material and legs, then project. The Yard Master 2 Dual includes a front and rear projection material in one. This eliminates the need to swap out materials and conveniently accommodates both projection set ups.

## Screen Material

- WraithVeil Dual tensioned front/rear projection material
- 4K Ultra HD, Active 3D, and HDR Ready
- Black masking borders enhance picture contrast
- Available in the following diagonal sizes: 100", 120", 135", 150" and 180" in 16:9 format

## Design & Operation

- Assembles in minutes with no tools required
