

Yard Master 2 Rear Series

Outdoor Folding-Frame Rear Projection Screen

Product Description

The **Yard Master 2 Rear** is a folding-frame outdoor projection screen. Its light-weight aluminum frame allows it to be set up in minutes. Simply, unfold the frame; attach the material and legs, then project. The Yard Master 2 is the perfect companion for outdoor presentations with front or rear projection materials available. ***Be sure to use the screen only during a light breeze (up to 7 mph); it is not meant to withstand heavy winds.**

Product Design & Features

- Light-weight aluminum square tube construction
- Single-piece frame system unfolds effortlessly and assembles in minutes with no tools required
- Corner pull-tabs make installation easier
- Snap-button attachments on material
- Detachable AT-legs included
- Stainless steel components are corrosion resistant and suitable for protection against outdoor elements
- Stakes, rope, and support rings included for additional support
