

Yard Master Electric Series

Electric Outdoor Projection Screen

Product Description

The **Yard Master Electric** is Elite Screens outdoor projector screen for patios and other outdoor spaces. Watch a movie in the convenience of your own backyard, patio, pool deck, or wherever your creative innovation leads. The electric screen is raised and lowered using a Radio Frequency remote control. Additional accessories include a magnetic weight bar bracket and a ground stake kit to keep screen secured against mild wind conditions. Outdoor grade materials enable the product to sustain a long lasting operational lifespan and is IP33 certified for rain/water protection.
