

# Yard Master 2 Series

## Outdoor Folding-Frame Projection Screen

### Product Description

The **Yard Master 2** is a fast folding-frame outdoor projection screen. Its light-weight aluminum frame allows it to be set up in minutes. Simply, unfold the frame; attach the material and legs, then project. The Yard Master 2 is the perfect companion for outdoor presentations with front or rear projection materials available. **\*Screen is not meant to withstand heavy winds; use only during light breeze (up to 7 mph)**

### Product Design & Features

- Light-weight aluminum square tube construction
- Single-piece frame system unfolds effortlessly and assembles in minutes with no tools required
- Corner pull-tabs make installation easier
- Snap-button attachments on material
- Detachable AT-legs included
- Stainless steel components are corrosion resistant and suitable for protection against outdoor elements
- Stakes, rope, and support rings included for additional support
- Soft-padded carrying bag stores entire product for portability
