

ezCinema Tab-Tension CineGrey 4D

ALR Portable Floor Pull-Up Projection Screen

Compatible with Standard “Long” Throw Projectors ONLY

Product Description

The **ezCinema Tab-Tension CineGrey 4D** is a portable ceiling ambient light rejecting pull-up projector screen. It is the ideal screen for rooms that have limited or no control of incidental light such as family rooms, lecture halls, boardrooms, or training facilities. It features a detachable telescoping support bar which allows the screen to be stopped at any position to accommodate various height requirements. The tab-tension design maintains the projection surface taut and flat to produce ripple-free presentations.

Models	Diagonal	Aspect Ratio	View Width	View Height	Material	Gain	Case Color	Bottom Border

Product Features

- CineGrey 4D 1.1 Gain Ambient and Ceiling Light Rejecting (CLR®) front projection material
- Angular Reflective Material for Standard “Long” Throw Projectors.
- Multi-layer matrix uses reflective and absorbent micro-particles to eliminate up to 63% of ambient light
- Enhances color contrast with excellent fidelity and uniformity
- Angular reflectivity negates light scatter artifacts and is ideal for residential or commercial applications
- Top/side masking black masking borders with adjustable bottom rise masking
- ISF Certified for accurate color reproduction
- Easy to transport and set up for traveling on-the-go presentations
- Available in diagonal sizes 113” and 121” in 16:9 aspect ratio
- Ideal for environments with high ambient light such as training facilities, hotel rental, and boardroom/conference rooms.
- Quick and easy positioning is ensured by an adjustable telescopic support bar.
- Solid rotating floor support feet provide added stability.
- Cups on feet rotate for a leveled installation.
- Built-in tensioning mechanism keeps projection surface flat and taut.
- Integrated carrying handle for enhanced mobility.
- Rugged extruded aluminum case protects the screen and is self-contained in a black finish.
- Carrying bag included for protection, storage, and easy transportation.
- 2-Year / 3-Year ENR-G Manufacturer’s Warranty by Elite Screens
