

ezCinema Tab-Tension Series

Free-Standing Portable Projection Screen

Compatible with Short and Standard Throw Projectors ONLY

Product Description

The **ezCinema Tab-Tension** is a free-standing portable projection screen that is offered now with a tab-tension system. It swiftly pulls up and retracts using a “scissor-backed” free-standing mechanism that requires no extra tools, accessories or effort. This is the perfect “projector screen in a box” for portable presentations on the go. The screen comes with black backing to eliminate light penetration for brighter image fidelity.
